

RTVue-100 The Complete OCT

Only Spectral / Fourier Domain OCT with INDIAN NORMATIVE DATA

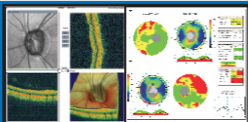

U.S. FDA Approved

High Density Macular Maps

- SLO Style Reference Image with Vessel Registration
- Precise Progression Analysis
- Threshold and Custom Volume Contouring
- Exact Volumetric Analysis for Follow ups

Comprehensive Glaucoma Analysis

- 4 in 1 Glaucoma Report
- RNFL 3.45
- Cup Disc Analysis
- Ganglion Cell Complex Analysis
- Cup and Disc Structural Analysis

Cornea Anterior Module

- Central Corneal Pachymetry Maps for Keratoconus Analysis
- Post Lasik Analysis of Flaps
- High Resolution Corneal Pathology Imaging
- Anterior Chamber Angle, AOD an TISA Imaging
- Anterior and Posterior Corneal Power Maps for early Keratoconus detection**
